Burhanuddin Rampura

Ahmedabad, Gujarat, India · burhanuddin.r@devstree.in · 6377388148 · Portfolio · LinkedIn Profile

Education

Senior Secondary Education   Dungarpur, Rajasthan
Achieved 90.50% in Science stream.   2016 - 2018
Silver Oak University   Ahmedabad, Gujarat
B.Tech Information Technology *(Topper, CGPA: 9.80/10)*   2018 - 2022

Work Experience

Devstree IT Services Private Limited (https://www.devstree.com/)   Ahmedabad, Gujarat
Full Stack Developer   September 2020 - Present

- Develop and maintain full-stack applications, integrating modern frontend frameworks like React.js and backend technologies including Node.js, Express, and MongoDB.
- Implement responsive, user-friendly interfaces with React, ensuring high performance and seamless cross-device compatibility.
- Improve application load times by optimizing frontend code and implementing lazy loading strategies.
- Spearheaded the development of admin panels, landing pages, and e-commerce websites, demonstrating consistency and proficiency throughout.
- Integrated real-time chat functionality using WebSockets, along with features like infinite scrolling and meeting scheduling.
- Developed applications using Next.js, leveraging advanced features such as Server-Side Rendering (SSR) and Static Site Generation (SSG).
- Built RESTful APIs and GraphQL endpoints, optimizing database queries and performance for scalable solutions.
- Implemented robust authentication and authorization mechanisms using JWT and OAuth.

Key Accomplishments

- Reduced page load times by 40 percentage.
- Improved overall system scalability by migrating services to a microservices architecture, handling over 10,000 concurrent users.
- Led a team of 4 developers to successfully deliver a multi-tenant e-commerce platform in record time, increasing company revenue by 20 percentage.

Work Projects

Xpo-Fairs   (https://xpofairs.com/)
Platform for creating, attending, and managing virtual exhibitions.

Kiwimi   (https://kiwimi.vn/en/)
E-learning platform similar to Udemy, with course buying, selling, and payment integration.

Pride-Mile   (https://pridemile.jp/)
Online platform for buying and selling cars, primarily targeting Japanese customers.

BlitzAr   (https://blitzar.app/)
Web app providing augmented reality (AR) experiences for retail and real estate.

Urenox   (https://web.urenox.com/)
Streaming platform for series and movies with live broadcasting features.

Social Scribe AI   (https://www.socialscribeai.com/)
AI-driven platform that automates content creation for social media posts.

Truong Dat   (https://truongdatgroup.com/en/)
E-commerce platform for a variety of consumer goods and construction materials.

Certifications

- AWS Certified Developer – Associate (2022)

- Full Stack Web Development with React – Coursera (2021)

- MongoDB Developer Certification (2021)

SKILLS

Frontend:	React.js, Next.js, TypeScript, Redux, WebSockets.
Backend:	Node.js, Express.js, MongoDB.
Tools/Technologies:	Git, GitHub, NPM, Yarn, Postman.

ADDITIONAL INFORMATION

- Active participant in local tech communities and hackathons, winning awards in coding challenges.

- Fluent in English, Hindi, and Gujarati.

- Strong team player with excellent communication and collaboration skills.

- Experience mentoring junior developers and contributing to open-source projects.
